#### **Structure, Governance & Management**

The Charity (Greener Orkney (SCIO)) is a Scottish Incorporated Charitably Organisation and first registered on 20 March 2019.

The general structure of the organisation consists of **members** and **the board**. Members can appoint people to serve on the board and can take decisions on changes to the organisations' constitution itself. Those individuals serving on the board are called the Trustees. The Register of Trustees is kept by the Secretary to the Charity – Ms Ruth Lea.

Membership is open to any individual living in Orkney over the age of 16.

## **Recruitment and appointment of the Trustees**

Prospective Trustees are required to complete a register of interest proforma and be interviewed by the Chair plus one other Trustee before joining Greener Orkney (SCIO). They will then need to stand for election at the next AGM. Any other Trustee or Member of Greener Orkney (SCIO) can stand for election at the same time. The minimum number of trustees is five and the quorum for board meetings is four charity trustees, present in person or online.

## **Objectives and Activities**

The Charitable objectives of Greener Orkney (SCIO) are twofold. One is the advancement of environmental protection by reducing Orkney's carbon footprint and raising awareness of climate change among the community. The other is the advancement of education by presenting workshops, lectures, and lessons on a range of environmental matters to improve the community's knowledge of climate change and how they can make a difference.

## **Achievements and Performance 2024/25**

### **Community Fridges**

This year saw continued success in running the Kirkwall and Stromness Community Fridges. In the period from March 2024 to the end of February 2025 together we saved over 26 tons of food and were visited by 11,000 people. Since the start of the fridges, we've saved nearly 90 tons of food – that's the weight of a large orca, or the equivalent of over 200,000 meals.

We also added a refillery to the Stromness community fridge offering Bio-D products and it has proved popular for people who can refill their liquid containers, such as washing up liquid and laundry detergent in a zero-waste way. The twenty litre containers we have are sent back to be cleaned and refilled once empty. The refillery shelving and setup cost was financed by a £6,000 grant from the Co-op and Hubbub, which also contributed to the cost of running the fridges.

A partnership project with Stromness Community Garden and Incredible Edible Stromness continues to develop as we find carbon-reducing uses for the cargo bike that will help our three organisations.

The fridges don't cost much to run, about £1000 a year, but we have spent the initial funding and now need to find finance going forward. We recently introduced a recommended donation of 50p per visitor and will continue to look for grants or sponsorship so we can continue these vital services.

### **Beach Cleaning**

Beach cleaning and other litter-picks remain core activities for Greener Orkney. In 2025 we ran Bag-the-Bruck for the third time, averaging two litter picks every day in April and resulting in 750 bags of litter being collected. We also started last year, and recently completed, a major project costing over £34,000 financed by Marine Fund Scotland. In partnership with the Scottish Islands Federation, we analysed litter on several island sites.

## **Events since the end of the Accounting Period**

### **Repair Café**

In May 2025 we received a grant of £1,468 to enable us to set up and run repair cafes in Orkney. Stromness proved the best place to start and following the first one on 10<sup>th</sup> May, a monthly event has been held on a Saturday ever since. We are now branching out in other locations and hope to make repair cafes accessible to everyone in Orkney in the future.

### **Circular Economy**

Greener Orkney are among the founding members of the Orkney Circular Economy Network. So far, we have launched an online resource hosted by the Highland and Islands Climate Hub to help people find repair and reuse options, such as upcycling workshops and donation points. The purpose of the network is to share knowledge and build a more resilient, sustainable future.

## **Plans for Future Periods**

Greener Orkney has been running for six years and become an organisation providing unique services to Orkney that are vital for today as well as the future. We feel that 2025 onwards is the time to strengthen the charity, bring more people on board as trustees with the vision to help us grow and meet the next challenges.

## **Financial Review**

Greener Orkney (SCIO) holds all assets in the form of cash balances within the current bank account to enable ease of disbursement of funds.

Grants of £18,280 were received during the year for projects such as ‘Bag the Bruck’, ‘Beach clean up and BBQ’ and ‘What is the Orkney Coastlines’ as well as to purchase a drone, bikes and related equipment.

On 1<sup>st</sup> March 2025 the bank account held a balance of £8,328 (2024: £7,360) of which £3,436 (2024: £2,610) was restricted and £4,892 (2024: £4,750) was unrestricted.

In the year to 1st March 2025, Greener Orkney had receipts of £26,374 (2024: £8,102) and expenditure of £25,406 (2024: £4,750). The bank balance increased in the period by £968 (2024: £1,139)

## **Brief Statement on the Charity’s Policy on Reserves**

Greener Orkney (SCIO) has no explicit reserves policy. It is to be expected that policies will develop as the charity progresses.

## **Details of any Deficit**

There are no deficits to report.

**Independent Examiner's Report to the Trustees of Greener Orkney SCIO**

I report on the accounts of the charity for the year ended 1 March 2025 set out on pages

**Respective responsibilities of trustee and examiner**

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and trustee Investment (Scotland) 2005 Act and the Charities Accounts (Scotland) Regulations 2006. The charity Trustees consider that the audit requirement of Regulation 10(1) (d) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

**Basis of independent examiner's statement**

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended). An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanation from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the accounts.

**Independent examiner's statement**

In the course of my examination, no matter has come to my attention:

1 which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
- to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations

have not been met, or

2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
